

Lightning Volleyball Club is a nonprofit organization dedicated to developing athletes of all ages and ability. The purpose of LVC is to promote interest in the sport of volleyball, provide training in skills and techniques, and foster teamwork, sportsmanship, self-discipline and motivation. We believe everyone should be given the opportunity to succeed, both on and off the court.

Lightning Volleyball Club is a member of the Rocky Mountain Region of USA Volleyball. The Club offers multiple options for young athletes to improve their volleyball skills including traveling teams, practice players, and summer camps. We serve athletes from 10-18 years of age.
